

Why Preplan?

Preplanning allows you to make informed choices, while at the same time, relieve your family from the burden of managing difficult decisions on your behalf while under emotional- and often financial- stress.

With cremation services in New Hampshire and Massachusetts reaching upwards of \$2,500.00 these days, locking in \$1330.00 now for cremation services down the road makes good sense and will protect your family from future inflation costs.

Why Choose Us?

- The only Green Crematorium in New Hampshire
- We vacuum our retort in between each cremation. No other crematory in New Hampshire does. We feel it's just the right thing to do.
- Complete arrangements online, in person, by mail, fax, or phone
- Our Licensed staff of crematory operators are all funeral directors, a much higher standard and accountability.
- Clear straight forward pricing. No upselling.

Family Owned & Operated

We have been family owned and operated from the start. Being a small firm, we are able to treat you like family. We do not have an automated answering service. Our Staffs cell phone numbers are available to all our families that we serve. By keeping our funeral home dedicated to service and personalization we are able to service your cremation needs unlike any other firm. We have invested in the best technology for the purpose to keep our cost low. We do not take any short cuts in our service. This is how we can offer a very competitive price for our direct cremation. There are no third parties involved. We do it all. Our staff in caring and treats your loved one like they were our own family.

What to Do When a Death Occurs

We are available 24 hours a day, seven days a week. When a death occurs, please call us right away. Your family will be helped by one of our caring and compassionate funeral directors that will handle all the details in accordance with your wishes. For more details about what to do when a death occurs, please give us a call.

Social Services Policy on Financial Assistance

City and town welfare departments provide financial assistance for deceased residents who are indigent. It is the family's responsibility to request for the assistance and the amount to be paid in a voucher. We will apply this amount towards our cremation fee of \$1330.00 offered to those in need. While some welfare departments pay \$750.00. If the city or town payment does not cover the charges. We will work with you.

Easy Step-by-Step Planning Selection Guide

Charges are for those items that you selected, or that are required. If we are required by law, or by a cemetery or crematory to use any items, we will explain the reason in writing. Please take a moment to select the option you prefer from each category.

General Price List

These prices are effective as of May 1, 2022 but are subject to change without notice

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Cremation Services

All of our cremation plans include: basic services of licensed professionals and staff, transfer of remains anywhere in our service area, Medical Examiner's Fee, use of refrigeration for five days, cremation container and crematory fee. If you want to arrange a direct cremation, you can use an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with or without an outside covering). The container we provide is a sturdy double wall corrugated cardboard container with wood bottom.
